

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

DENNIS SADBERRY,

Case No. 3:17-cv-00030-RCJ-VPC

Petitioner,

ORDER

v.

ISIDRO BACA, et al.,

Respondents.

Petitioner Dennis Sudberry has submitted a *pro se* petition for writ of habeas corpus, pursuant to 28 U.S.C. § 2254 (ECF No. 1-1). While he has submitted an application to proceed *in forma pauperis*, he has failed to provide the requisite financial certificate or inmate account statements. Moreover, Sudberry sets forth no grounds for federal habeas relief in his petition; instead he states that prison medical personnel are violating his rights under the Americans with Disabilities Act (ADA).

Sudberry has not properly commenced a federal habeas matter. 28 U.S.C. § 1915(a)(2) and Local Rule LSR 1-2. Moreover, if Sudberry claims that prison medical personnel have denied him a wheelchair, such a claim may be cognizable under the ADA or under 42 U.S.C. § 1983 as a violation of his Eighth Amendment rights. Such a claim does not, however, state a claim for which federal habeas relief may be granted.

Thus, the present action will be dismissed without prejudice to the filing of either a new petition in a new action or a civil rights complaint with either the appropriate filing fee or a completed application to proceed *in forma pauperis* on the proper form with

1 both an inmate account statement for the past six months and a properly executed
2 financial certificate.

3 **IT IS THEREFORE ORDERED** that petitioner's incomplete application to
4 proceed *in forma pauperis* (ECF No. 1) is **DENIED**.

5 **IT IS FURTHER ORDERED** that this action is **DISMISSED** without prejudice as
6 set forth in this order.

7 **IT IS FURTHER ORDERED** that a certificate of appealability is **DENIED**, as
8 jurists of reason would not find the court's dismissal of this improperly commenced
9 action without prejudice to be debatable or incorrect.

10 **IT IS FURTHER ORDERED** that the Clerk shall **ENTER JUDGMENT** accordingly
11 and close this case.

12
13 DATED: 5 April 2017.
